

Finance Options

Thomas Equipment is pleased to announce it is partnering with **Westport Leasing Corporation** to provide alternative financing for US customers and **CIT Equipment Finance** for Canadian customers.

Both lenders require that loan applicants are purchasing the equipment to use for business purposes as a condition of their loan. Business owners and sole proprietors, however small, are eligible for financing. Business numbers are not required but will expedite the application process.

To apply please complete and fax the applicable attached credit application to 506-325-0303 or email it to finance@thomasloaders.com. We will take it from there, working on your behalf to ensure that everything goes smoothly and will keep you informed of the results every step of the way.

**Payments of \$258.40 noted on the homepage are based on a purchase price of \$15,998 with a \$1,000 down payment and 10% residual left at the end of the term. The payment is calculated using an interest rate of 5.9% available from most charter banks. Actual monthly payment will be determined by the financial lending option you choose.*
